

CRITTENDEN COUNTY

HOMEMAKERS

mean? It's time to pay your annual dues. In order to keep informed about Crittenden County Homemaker happenings, all members will need to complete this year's enrollment form and pay the \$10 dues.

Agent Rebecca Woodall has challenged each homemaker to be intentional about inviting new members. For October, we are to bring someone who lives near us. I need to give my neighbor a call today! Can't wait to see who you bring.

Bring a Friend Challenge

Don't Forget our Bring a Friend Challenge. If you bring a friend, remember to write your name and the name of a friend on the paper provided. You will both go in for a chance to win a gift basket.

Hooks & Needles

Hooks & Needles members worked all summer on individual quilt blocks. Now they are going to put it all together and one lucky member will take the whole quilt home! Hooks and Needles Meet at the Public Library the 2nd and 4th Tuesday of the month at 12pm. They have a lot of fun plans for the year!

CHALLENGERS INFORMATION

We are off and running for a new year. There were nine members present at the September meeting. Members received passport books, 2025-2026 year books and other information.

As an incentive to read from the book list, you will receive a crocheted bookmark if you have read or are in the process of reading from the book list.

As an Incentive to attend meetings we will be playing bingo, by only picking 4 numbers each month. You must be present to receive the numbers picked. Once you BINGO you will receive a gift basket. It will take several meetings to BINGO. Crystal Wesmoland was our special guest. She talked to us about the needs at the schools. I will have a list at the October meeting. There will be a need for snack items for the school backpack program.

Challengers and Marion UFW Auxiliary are working together on a Community Outreach Program. The Auxiliary will provide candy for trick or treat goodie bags. The Challengers will fill goodie bags at the October meeting. Then we will set up in front of Louise's Flower Shop to pass out bags. This can be counted as volunteer Hours.

Brandi Potter is the Lesson Leader and will present a lesson on Sorghum in October. Hope to see you next month on October 8th.

Challenger President,

Nancy Lanham

Crittenden County Homemakers

Saturday, November 15, 2025 2-4 PM

November 4, 2025

Interactive class at your Local Extension Office: 10:00 a.m
Or watch by Zoom: 5:30 p.m.
Contact your Local Extension Office for the Zoom link.

Autumn Health Concerns

There are many things to love about autumn: The air begins to cool down a bit, leaves change colors, and there are many special foods and fragrances that we associate with this time of year. However, autumn can also bring specific health concerns for some people. You can address your health concerns and still enjoy the season and all it has to offer.

Dry Skin - As the air cools, some people have more dry skin. To prevent cracking and itching, try to stay hydrated by drinking plenty of water, continuing to wear sunscreen when outdoors, and use a lotion or cream skin barrier to help moisturize skin when you get out of the bath or shower.

Decreased Immune Function - You may find yourself getting sick more as the seasons change. Stay up to date on all vaccines, wash your hands, and check with your doctor if allergy or cold symptoms become persistent.

Sleep Disturbances - Even though the days are becoming shorter, you may find that you are getting less sleep at night. This can happen as the season change affects circadian rhythms. Try to establish a consistent bedtime routine, plan to get at least seven to eight hours of sleep per night, and avoid screens once you turn off the lights.

Take advantage of the change in seasons to catch up on needed annual health exams as well. If you have not done so, schedule an annual physical, dental cleaning, and vision check. These strategies combined can help you have an enjoyable autumn and end the year well.
